

SRM INDUSTRIES INC.

The Toughest Hose Protection Products on the Planet...Period!

RHINO BEND RESTRICTOR

FEATURES & BENEFITS

RHINO BEND RESTRICTORS reduce bending stress near the hose-coupling junction.

- Meets RoHS
- Added protection prevents damage to the hose and extends its life cycle
- Upper lip firmly attaches to the coupling, holding the restrictor in place, eliminating the need for costly adhesives or clamps
- Tapered for easy installation
- Works with variety of hydraulic and pressure-wash hoses
- **RHINO BEND RESTRICTORS** preserve expensive equipment and extends hydraulic hose life.
- **RHINO BEND RESTRICTORS** feature UV resistant material additives for maximum performance without environmental degradation.
- Our easy-to-install hose guard will provide ample cushioning, full protection and complete flexibility, all while saving you valuable time and money

INDUSTRIES USING OUR PRODUCTS

- Agriculture
- Chemical Plants
- Coal Mining and Processing
- Construction
- Energy / Utilities
- Machinery
- Manufacturing
- Manufacturing General
- Marinas
- Mining / Quarrying
- Oil / Gas Extraction
- Petroleum
- Railway
- Transportation
- Waste Management

Standard Color: Black,

**other colors require minimum production run*

Material: Vinyl

Warning: This product can expose you to diisononyl phthalate, which is known to the State of California to cause Cancer. For more information go to www.P65Warnings.ca.gov
